

Prewitt Hallmark

Prewitt Hallmark was born about 1820 in Blount County, Alabama. He moved with his family to Houston County, Texas. A November 1839 land document states that as of October 1836 Prewitt was single, but by October 1837 he was married. There has been no documentation found with his wife's maiden name or family, but the 1850 Houston County, Texas census names her as Permelia. Prewitt and Permelia had at least seven children. Prewitt Hallmark died before the 1855 Houston County scholastic record was taken, as Permelia was listed as a widow on that document.
